*A Smile for a Lifetime*

**Gabriel A. Chamblin, D.M.D. is excited to announce  
Joel D. Green, D.D.S. has joined our practice**

I am excited to announce to you that Dr. Joel Green has joined our practice. He will be assuming the dental practice on May 1. I will continue to work with Dr. Green and look forward to having someone to discuss problems with, to learn from and to be able to pass on some of the knowledge and experience I have acquired. We belong to the same dental education group here in Baldwin County and he is a well trained, caring and compassionate clinician. I have had the pleasure of knowing Joel over the past 14 years and can tell you that he is committed to providing the same comfortable and personalized care that you have come to expect.

It has been our privilege to serve the dental needs of our patients for the past 38 years. I feel that I have found the perfect person to take over my practice. It will give Mary Hopkins and I more time to spend doing the things we enjoy.

Dr. Green completed his undergraduate studies at LSU in Baton Rouge and received his Doctor of Dental Surgery (DDS) degree from LSU School of Dentistry in New Orleans in 1998. He is a native of Pensacola and currently lives in Fairhope with his wife, Rhonda, and his children Camille and Charlie. They attend Christ the King in Daphne. In his spare time, he enjoys sailing, fishing, running and family bike rides. Yes, we do have things in common besides dentistry.

Please join me in welcoming them to Spanish Fort. If you don't have an appointment, please call or stop by to say hello. Pedal will be delighted to see you as well.

Thank you for the opportunity to provide dental care and for your friendship.

Sincerely,

Gabriel A. Chamblin, DMD
