Consent for Services

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1½% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I understand that the fee estimate listed for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions of treatment and payment and agree to their content.

Our Financial Policy

Thank you for choosing us as your health care provider. We are committed to your treatment being successful. Please understand that payment of your bill is considered a part of your treatment. The following is a statement of our financial policy with which we require you to read and sign prior to any treatment. All patients must complete our information and insurance form before seeing the doctor.

- *Full Payment is due at time of service*
- *We accept cash, check, Mastercard, Visa, American Express, Discover*
- *We offer financing through Care Credit*

Regarding Insurance

We may accept assignment of insurance benefits, provided we are able to confirm coverage. However, we do require that the appropriate percentage not covered by your insurance be paid at the time of service. The balance is your responsibility whether your insurance company pays or not. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. In the event we do accept assignment of benefits, we will wait for payment for 45 days. At that time, you will be responsible for the balance. All accounts that have a 60-day balance will receive an automatic service charge of 18%.

Usual and Customary Rates

Our practice is committed to providing the best treatment for our patients, and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates. We have found that most insurance companies usually set very low usual and customary fees and serve the interest of the insurance company.

Minor Patients

The adult accompanying a minor (or guardians of the minor), unless we have documentation to prove otherwise, is the person we will hold responsible for payment.

Unless cancelled at least 24 hours in advance, our policy is to charge for missed appointments at the rate of \$75 per visit. I understand that I am responsible for the charges for services rendered. Any outstanding account balance will be subject to an 18% finance charge. In the event I fail to pay for services rendered, I agree to pay all reasonable costs of collections including, but not limited to, attorneys fee and court costs. Thank you for understanding our financial policy. Please let us know if you have any questions or concerns. I have read and agree to this financial policy. I understand and agree to this financial policy.
